SRCTec Events

The Sumas Regional Consortium for Technology is hosting some upcoming events. This is an organization located in Mission that supports technology innovation in agriculture.

(SRCTec supports technology in agriculture, but other technology sectors also have accelerator programs. If you are developing technology products or services check out the [BC Innovation Council](#) website for information on Foresight, Wavefront and VentureLabs.)

SEPTEMBER 16, 2015 @ 3-5PM

OPEN HOUSE AT SRCTec - 7337 Welton Street in Mission

Join us as we open our doors to each and everyone one of you! This event is for everyone in the valley to come by and see who we are and what we do. SRCTec has a variety of services and programs that may be of interest to you specifically, or someone in your network. This mixer is FREE to attend! Register online at www.srctec.org/events or email agreen@srctec.org.

SEPTEMBER 23, 2015 @ 12:30-5:00PM

AGRI-TECH WORKSHOP AT SRCTec - 7337 Welton Street in Mission

Do you have the next big tech idea in agriculture? Join us along with our key speakers on accounting, marketing, funding and legal structure. Our workshop runs quarterly and is a benefit to those who are looking to start-up or brush up on their business skills in this industry. Register online at www.srctec.org/events or email agreen@srctec.org.

Small Business BC Webinars

Community Futures North Fraser is happy to be participating in SBBC's Webinar Program. This program lets you access the same great seminars SBBC has always offered but from the comfort of your home or office. Plus you have the added convenience that the seminar can be downloaded and stored for up to 7 days, which means you can watch it whenever is best for you.

We've highlighted a few of the webinars for you, if you would like to view a complete list click [here](#). To view or register for the highlighted webinars below simply click on the title of the webinar you are interested in and it will take you to the information and registration page.
